

**Yanfeng Li, male, birth in Gansu, China,
Jul 1, 1954.**

Ph Dr, professor of Lanzhou University.

Advisor for Ph Dr programs on Environmental Science Major, and
Polymer Chemistry & Physics Major in Lanzhou University

Area of Expertise: Bioenvironmental Technology, Wastewater
Treatment, Bioactive Polymers, Ecomaterials, Functional Polymers.
Polymer Materials. Polymer Composites, Polymer Chemistry.

Professional Experiences:

Jan. 2003 – Present: Professor, Department of Chemistry, Lanzhou
University.

May 2001 – Dec. 2001: Visiting professor, Université de Montréal, Canada.

Apr. 1999 – Mar. 2000: Visiting professor, Institute of Chemistry, Chinese
Academy of Sciences.

Jan.1995 – Dec 2002: Associate professor, Department of Chemistry,
Lanzhou University.

Aug.1992 – Dec.1994: Lecturer, Department of Chemistry, Lanzhou
University.

1978 - 1992: Teaching and research assistant, Engineer, Department of
Chemistry, Lanzhou University.

Education:

Aug. 1975 - July 1978 *B.Sc. in Chemistry*, Wuhan University, Wuhan, China

Aug. 1985 - July 1987 *M.Sc. in Chemistry*, Lanzhou University, Lanzhou, China

Sept. 1989 - July 1992 *Ph.D. in Chemistry*, Wuhan University, Wuhan, China

Professional Memberships:

Chinese Chemical Society

Chinese Chemical Industry Society

Chinese Materials Research Society

Chinese Environmental Science Society

Honors and Awards:

1990: 1st Guanghua's Awards (Ph.D. of Wuhan University)

1994: 2nd prize of advancement of science and technology of Gansu Province Government

2000: 3rd prize of advancement of science and technology of Gansu Province Government

2002: 2nd prize of advancement of science and technology of Gansu Province Government

2003: The excellent teacher prize of Education Fund Society of Baoshan Steel Corp., Shanghai, China

2004: 2nd prize of environmental science and technology of Gansu Province Government

Professional Publications:

Over 180 refereed scientific publications, 10 Chinese patents accredited.
